Re: Letter of Recommendation

To: Potential Clients

It was a pleasure working with Zohnnie Construction Industries, Inc. (ZCI) on 22 Residential Housing Units (12 Scattered and 10 Subdivision) for the Ramah Navajo Chapter. Zohnnie Construction displayed extreme professionalism and provided quality workmanship at every phase of the housing project. Zohnnie Construction Industries' Statement of Work included the completion of Punch List items in regards to; interior/exterior trim/rough carpentry, interior/exterior prime and painting, stucco repairs, minor electrical, plumbing, septic and cistern systems, domestic water bacteria testing, drywall taping, and texture.

Zohnnie Construction Industries, Inc. worked with diligence, responsibility, and integrity. **We feel that Zohnnie Construction Industries, Inc. went above and beyond their scope of work to meet our high standards for Quality Workmanship.**

We recommend Zohnnie Construction Industries, Inc. for any future residential and commercial work within the building and trades industry.

If you have any further questions please feel free to contact me at (505) 775-7155.

Respectfully,

Ricky Penketewa Sr., Construction Manager
